

User Demonstration Guide

A demonstration of screenshots to show how to use the statewide and county-level tools. The notebook documents user workflow.

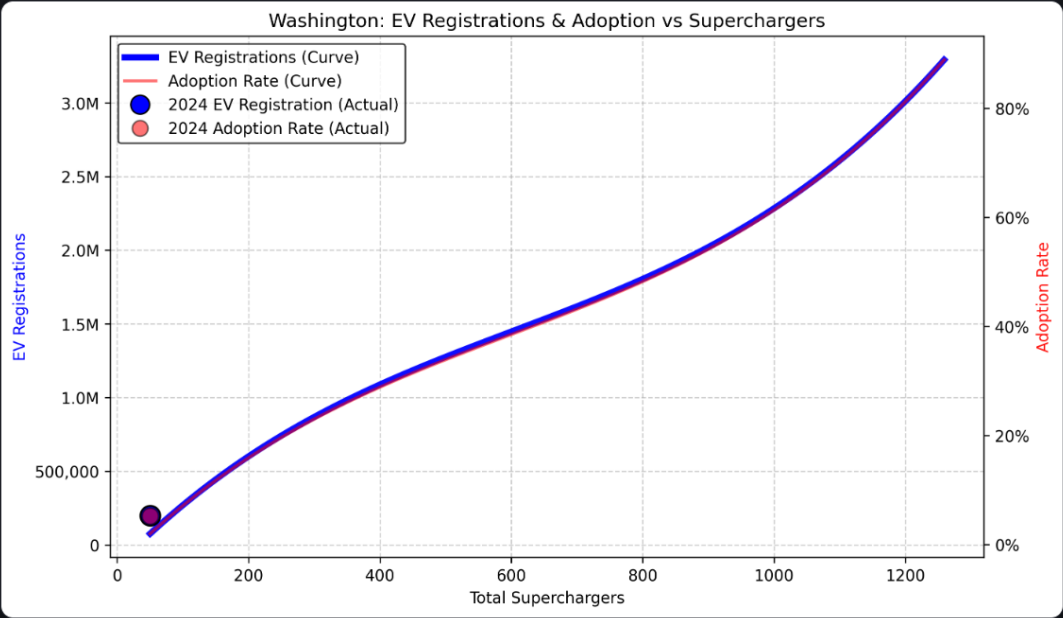

1. Screenshot of Home Hub UI (choose statewide or county-level)
<https://home-page-ev.onrender.com/>

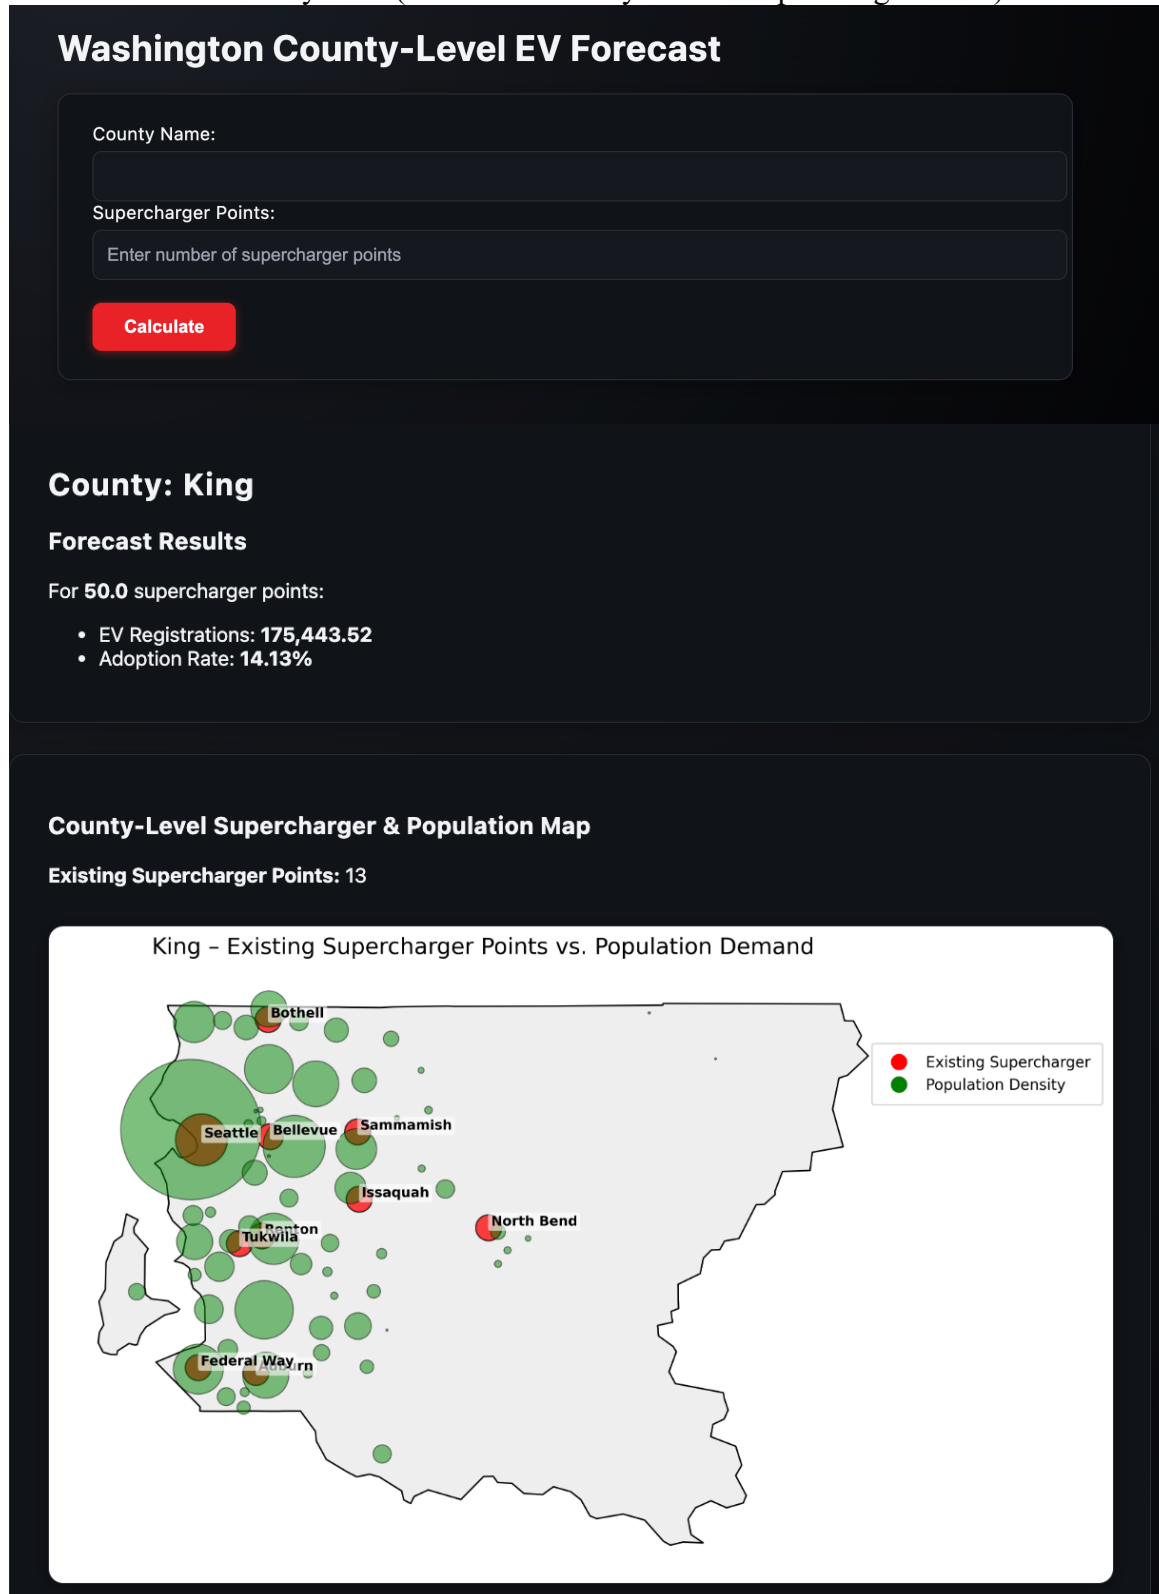

2. Screenshot of Statewide Tool (user enters supercharger count)

Statewide Forecast Curve

3. Screenshot of County Tool (user enters county name + supercharger count)

County-Level EV Forecast Curve
